# Dogtown *Resort*

Dear Friends of Dogtown Resort,

I'm very excited to introduce myself to you as the new owner and operator of Dogtown. I have known Russ and Kay Culver since discovering their kennel as the ideal solution for my dogs when I traveled for business, and have always appreciated the facility they created and the care they provided for my dogs.

When Kay and Russ made the decision to retire to Florida I was surprised, but I decided the time was right for me to pursue the dream of owning and operating Dogtown. I am working closely with Russ and Kay to make this transition seamless for current clients, and to continue the traditions established at Dogtown.

As a frequent business traveler, I understand how important it is to have access to excellent care for pets when a normal routine changes. Dogtown will remain the facility of choice offering daycare and extended stay options with continuous access to large play yards, and socialization, plus the newly renovated Dogtown Two with air conditioning and a quieter environment if that better suits your dog.

The staff members you may have met during prior visits will remain as a part of the ongoing team at Dogtown, and I will be an active and hands-on owner and manager. I look forward to meeting each of you and getting acquainted with your family and your pets.

Please refer to the adjustment in hours and fees that will go into effect October 1, 2009. Existing boarding reservations will certainly be honored, and I recommend you make reservations early for the upcoming holidays and football weekends. If you have any questions, feel free to contact me using the Dogtown Resort phone 574-849-0844, or by email at [dogtownresort@comcast.net](mailto:dogtownresort@comcast.net).

I look forward to meeting you and your dogs.

Best wishes,

Carolyn Manley
